

# NEW PUBLIC HEALTH ORDERS

Manitoba's One Great Summer Path Begins Early on June 26, 2021

As of June 23rd, 2021, Manitobans achieved and surpassed the first key vaccination benchmarks set out under the '4-3-2 One Great Summer' Reopening Path, with over 71 per cent of eligible Manitobans at least partially immunized and more than 27 per cent having received both doses. Together with declining COVID-19 cases, test positivity and hospitalization rates, Manitobans are now able to begin to enjoy more freedoms and fewer public health restrictions.

As such, Manitoba will move ahead with the first milestone of its '4-3-2 One Great Summer' Reopening Path one week early and open many businesses and facilities to 25 per cent capacity beginning on June 26<sup>th</sup>, 2021.

Manitobans who are fully immunized (two vaccine doses plus two weeks from the time of their second dose) will now benefit from the following exemptions:

- visit loved ones in personal care homes or hospitals;
- travel domestically for essential and non-essential purposes outside of Manitoba without the requirement to self-isolate on their return; and,
- dine indoors at restaurants and bars with other fully immunized friends and family from outside your household.

Under this first milestone of the '4-3-2 One Great Summer' Reopening Path, Manitobans will also be able to gather in larger numbers, dine out in restaurants and on patios, attend faith-based services, and go to gyms, hair salons and retail stores in every region of the province, with some restrictions.

**Effective 12:01 a.m. Saturday, June 26, all Manitobans will benefit from the following highlighted changes – but will remain subject to public health order restrictions specific to their sector as identified under the orders:**

SECTOR	REVISED RESTRICTIONS
<p><b>NON - LICENSED &amp; LICENSED RESTAURANTS</b></p> 	<p><b>NEW!</b> Restaurants and bars to reopen at <b>25 per cent</b> capacity for indoors and <b>50 per cent</b> for outdoor dining. For indoor dining, patrons seated together must be from the same household unless all patrons at the table are fully immunized. Patrons who are fully immunized and from different households may dine together. For outdoor dining, tables are limited to a maximum of 8 patrons and can be from different households regardless of immunization status. Members of the public must be assigned tables upon entering and must not move tables or chairs inside or outside of the premises.</p> <p>In addition to the above relaxed restrictions the following restrictions from previous health orders may still apply:</p> <ul style="list-style-type: none"><li>• physical distancing measures in place between tables;</li><li>• contact tracing information gathered from all parties;</li><li>• patrons must wear a mask at all times when entering or existing the premises or moving to and from their seat</li><li>• patrons must remain at their tables except for specific purposes such as using washroom facilities or brief interactions with staff etc;</li><li>• the use of hookahs or other types of water pipes in the premises are prohibited</li><li>• food cannot be served buffet style; and</li><li>• food cannot be served for dine-in between the hours of 10 p.m. and 6 a.m. Takeout and delivery is permitted.</li><li>• liquor can only be served if a meal has been ordered; and</li><li>• liquor cannot be sold or served between the hours of 10 p.m. and 9 a.m.;</li><li>• sound levels in the licensed premises do not exceed 80 decibels</li><li>• no dancing takes place in the licensed premises</li><li>• The operator of the licensed premises must take responsible measures to ensure compliance with the requirements detailed above. Persons who claim to be fully immunized must provide proof that they are fully immunized. Persons who claim to reside at the same private residence may be required to present identification that shows their address or sign a declaration confirming that they all reside in the same residence.</li></ul>
